

HOWL WEEN

Here's Your Treat!

This Howl-o-Ween, my family is "Standing 4 Wolves" with thousands of families in America. Won't you and your family join us? We need everyone's help to keep wolves safe!

Did you know that wolves once roamed free across much of America? Today wolves are being hunted, trapped, and even poisoned. But with your help, we can bring them safely back to the wilderness. *It's easy!*

This Howl-o-Ween, visit the website www.Stand4Wolves.org to sign a Citizen's Recovery Vision and learn more about this effort.
